10.20am, 10.40am, 11.00am, 11.20am
11.40am, 12.00noon, 12.20pm.

ART/FASHION

Hospitality building, level 2

Step into our Art & Fashion Print Workshop and watch bold ideas burst to life with colour, creativity, and a whole lot of print magic!

CAR SHOW

Engineering building, automotive garage

Visit our Car Show and explore an exciting mix of cars and motorbikes - there's something for every enthusiast to enjoy.

CYBER EXPERIENCE

STEM building, level 2

Take a look at our Cyber Security Suite and see what a cyber attack really looks like - a chance to learn how hackers operate and how to stay protected.

TECH EXPERIENCES

Engineering building

Explore the future through our hands-on tech experiences. Take a virtual sail around Plymouth, test your skills with VR welding, and watch our robots in action.

ENGLISH & MATHS

Maths Centre for Excellence, STEM building, level 1

While you chat with our team about English, maths, or ESOL courses, your child can enjoy free face painting.

FUN ZONE!

Students' Union, Innovation building, lower ground floor

Visit the Students' Union for games, fun activities, and the chance to win an Xbox in our prize competition.

GIFT SHOP

Main building, ground floor

Check out our shop filled with handmade gifts created by our Skills Development students.

SPORT, HEALTH & FITNESS

Main building, ground floor

Take on Pilgrim Pete in a penalty shootout or test your aim in a free throw challenge with a Raiders pro. Whether you're team football or team basketball, it's your chance to show what you've got - bragging rights included!
