### IMPORTANT

All clients MUST have a skin test at least 48 hours prior to any colour service and updated every three months. The purpose of the skin test is to ensure that no reaction occurs with the use of our products. Please ask your stylist or at reception for further information

Creative Solutions is a training department, incorporating Hairdressing and Beauty/ Complementary Therapies. The students are working towards their qualification and therefore require your understanding and patience at all times.

- Please be assured we are using the best products available
- We aim to promote a calm and relaxing atmosphere in our salons/ clinics and therefore we would request that clients do not bring babies or children to appointments
- Parking may not always be available on the college campus, however on-street parking is available in the surrounding area
- Some treatments may require GP approval

Treatments may possibly take longer than advised, therefore please allow plenty of time for your appointment.
